REPEAT

ARMS

On the "step and dip" count raise your arms in front of your shoulder with fist closed(just like the do in karate). Your left fist is in front when your left leg is in front, and your right fist is in front when your right leg is in front. To make it even more like a karate class you can shout on those counts to, don't be shy make a big "kiiiai", or just shout like they do in the song
