- 1            Step right foot forward diagonally left letting body turn to diagonal  
2-3        Step left foot forward diagonally left letting body turn to diagonal  
4            Stride-step left foot forward starting ¼ turn left  
5-6        Step right foot to the right side completing the turn, step left foot across in front of right
- 7            Step right foot to the right side starting ¼ turn left  
8-9        Step left foot slightly backward from right completing the turn, rock-replace weight forward onto right foot  
10         Stride-step left foot forward  
11-12      Slide right toe forward and in a slight arc to the left for 2 counts so it is beside left on count 12. Weight stays on left foot  
13-24      Repeat previous counts 1-12
- 25         Stride-step right foot forward stepping directly in front of left  
26-27      Point-touch left toe to the left side, hold  
28-30      Stride-step left foot forward, step right foot beside left, step left foot in place  
31-33      Repeat previous counts 25-27  
34-36      Stride-step left foot forward, step right foot slightly forward, rock-replace weight backward onto left
- 37         Stride-step right foot backward  
38-39      Slowly slide ball of left foot backward to finish beside right on count 39 leaving weight on right foot  
40         Straide-step backward on left foot making ½ turn right  
41-42      Step right foot forward, step left foot beside right
- 43         Stride-step right foot forward  
44-45      Step left foot slightly forward from right, rock-replace weight backward onto right foot  
46         Step backward on left and make ¼ turn right  
47         Step right foot to the right side and make ¼ turn right  
48         Step left foot forward and make ¼ turn right

**Try to ensure that 46-48 are smooth steps that flow to create a ¾ turn. They should travel in a line backward from the position at count 45.**

## REPEAT

This waltz will fit any standard waltz songs, but was choreographed to be slightly up tempo.
