&32      Step right foot beside left, step left foot in place

## REPEAT

The steps in this dance come from other dances of mine:

Counts 1-8 are Cuban Heels, 9-16 from Along For The Ride, 24-32 from Black & White cha-cha and the rest culled from various others, The name comes from words that I used to use to describe many of my dances. I have been informed that they were not accurate descriptions, so left try very hard not to use them any more!
