LADY'S STEPS

1-4 Left vine - left, right, left; scuff right heel
5-8 Right vine - right, left, right, scuff left heel
9-12 Vine left in front of man left, right, left, scuff right foot

As the lady vines in front of the man, lower the lady's left hand to waist level so that when she gets to the man's left side her left hand is in a modified hammer lock position behind her back, right hands are in front of man's chest

13-16 Each turn $\frac{1}{2}$ to the left to face reverse line of dance - right, left, right, scuff left heel
Lady is now on man's right side. As the turn is made the man lowers the lady's right hand to waist level to end in a modified hammer lock position behind her back. Left hands are in front of man's chest

17-20 Vine left in front of man left, right, left, scuff right heel
21-24 Each turn $\frac{1}{2}$ turn to the left to face line of dance - right, left, right, scuff left heel
Lady is now on man's right with left hands in front on man's chest and right hands behind lady's back in a modified hammer lock position

25-28 Walk forward - left, right, left, scuff right heel
29-32 Walk backward - right, left, right, scuff left heel
Drop right hands, raise left hands as she does a $\frac{1}{2}$ turn to her right under left arms to end facing reverse line of dance at an angle

33-36 Left, right, left, scuff right heel
In the next 12 counts the action is similar to a right and left grand in square dancing. As you weave in and out, drop hands only after you have picked up the hand of the person coming at you

37-40 Moving in the reverse line of dance - step forward and to the left - right, left, right, scuff left while you drop left then pick up the right hand of the man in front of you

41-44 Step forward and to the right - left, right, left, scuff right as you extend left hand to the man in front

45-48 Step forward and to the left - right, left, right, as you extend right hand to the hand to man in front turn $\frac{1}{2}$ turn to your left to end in promenade position facing LOD - scuff left heel
