Another option, just for fun: in the tags on counts 5 to 10 you will be rocking forward & back, in the song diamond jack sing about sailing, well, we don't know much about sailing but you can make out you're rowing! On the forward rocks push your oars forward, on the back rocks bring them in!

Another option, just for fun. At the start of the track there's a 32 count instrumental bit, try this:

1-16                      Four jazz boxes each making ¼ turn right

**On count 16 finish back at the front & touch left toe to left side**

1-16            Four jazz boxes each making  $\frac{1}{4}$  turn left

**On count 16 finish back at the front & touch right toe to right side. Don't forget your air guitars.**
