5-8 Right foot rock right, left foot rock left, right foot rock right, left foot rock left

The 2nd time you do the break you omit the last 4 steps (5-6-7-8)

The break is only done twice, therefore you do all 16 steps the 1st time and only 12 steps the 2nd time. The 3rd and 4th time, you do not do the break.

The last 16 steps of the dance, you'll simply be repeating the first 16 steps of the dance (Step-slide-step-touch etc.)

This dance is easier to perform when listening and feeling the music. I hope you enjoy it as much as I do.
