

# Six Gunnin' It

COPPER KNOB  
BY STEPHEN HETS

拍數: 0                      牆數: 4                      級數: Intermediate  
編舞者: Curtis "Hoss" Marting (USA)  
音樂: Wild Wild West (Radio Edit) - Will Smith

Sequence: AAAAA, B, AAAAA, B. If dancing to longer album/soundtrack, the sequence is AAAAAA, B, AAAAAA, B

## PART A

- 1-2                      Stomp right foot forward, hold
- 3-4                      Step back on right foot, hold
- 5                        Touch right heel forward
- 6                        Touch right toe back
- 7                        Step forward on right foot while making a  $\frac{1}{4}$  turn to the right
- 8                        Touch left toe to the left side
  
- 1&2                     Do a left kick-ball-cross (crossing right foot over left)
- 3&4                     Do a left kick-ball-cross
- 5                        Step forward on left foot
- 6                        Do a  $\frac{1}{4}$  turn to the right (weight remains on right foot)
- 7&8                     Do a left sailor shuffle
  
- 1-2                     Kick right foot forward, twice
- 3                        Touch right toe back
- 4                        Do a  $\frac{1}{2}$  turn to the right (over right shoulder weight remains on right foot)
- 5-6                     Stomp left foot forward, hold
- 7-8                     Stomp right foot forward, hold
  
- 1-3                     Do a  $\frac{3}{4}$  fire hydrant turn to the right while lifting left leg (like a dog would do when peeing on said fire hydrant, weight remains on right foot)
- 4                        Touch left toe beside right foot
- &5                        Jump apart - left, right
- &6                        Jump back together-crossing right over left
- 7                        Do a  $\frac{1}{2}$  turn to the left (over left shoulder weight remains on left foot)
- 8                        Clap

## PART B

- 1-4                     Step side right, bending right knee & shimmying hips (weight remains on right)
- 5&6                     Do a left sailor shuffle
- 7&8                     Do a right sailor shuffle
  
- 1-4                     Step side left, bending left knee & shimmying hips (weight remains on left)
- 5&6                     Do a right sailor shuffle
- 7&8                     Do a left sailor shuffle

At the end of the second "Part B" (to end the dance) draw your six guns from the side of your hips & point them forward, while stomping right foot forward. Hold to end dance.
