## REPEAT

## TAG

On wall 4, after step 32, continue with

- 1&2            Chasse right
- 3-4            Left foot rock back, replace weight on right
- 5&6            Chasse left
- 7-8            Right foot rock back, replace weight on left

On wall 9, omit steps 29-32 (left side step and hip swings, left cross and unwind ½ turn right), but add the following:

- 1-4            Left foot large step side left, right foot closes to left slowly over three counts
  - 5-8            Right foot large step to side right, left foot closes to right slowly over three counts
  - 9-12          Left foot large step side left, right foot closes slowly over three counts
-
