**REPEAT**

If you saw the movie "Saturday Night Fever", you may recall couples doing the original 'Tango Hustle' which was popular for a brief time in the late 70's. Max Perry and Jo Thompson took some of the basic steps and revived them into this line/partner version. "We're seeing a renewed interest in Hustle, so I felt it was the perfect time to bring back this old favorite and give it a new twist-" says Max Perry. "Try it the next time your DJ plays a good Hustle song!"
