5-6            Touch right toe forward, turn ½ left (weight to left)  
7-8            Step right forward, step left forward  
9-16           Repeat 1-8

Optional turn: do a full forward turn, turning left, stepping right, left on 7-8 and 15-16 of bridge

If you dance this with "I Think About Angels", you will need to split the floor. This is fairly stationary and "I Think About Angels" has a long fast moving pattern at the end
