## REPEAT

To phrase to the Derailers' song you will need to "drop" the last 4 counts (RIGHT jazz box) periodically. Here's the sequence: 60, 64, 60, 64, 60, 64, dance until end (first 24 counts). What you need to remember is which wall you will be facing when you drop the jazz box. The dance turns TO THE LEFT. You drop the

jazz box when the dance ends facing the left side wall (1st wall), and when the dance ends facing 4th wall (front wall). The second time through you will drop the jazz box when the dance ends facing the 6th wall (back wall).

To finish the dance facing forward on the 7th and final wall after doing the right toe fans in counts 17-20, vine right for 2, turn  $\frac{1}{4}$  right & step right foot forward, stomp left together or forward & you're done.
