## Wheelchair Adaptation by Grant Taylor

When dancing this able bodied dancers, this is best done with the wheelchairs in the center and the able bodies dancers in a circle around them. It's great fun for everyone

1-4              Clap hands together, slap right leg, clap hands together, slap right leg  
5-8              Clap hands together, slap left leg, clap hands together, slap left leg

## HAND JIVE

9&10            Slap right leg, bring right hand up to slap on top of left hand, slap right leg again  
11-12           Clap hands together in front, clap hands overhead

13-16           Raise left arm in the air and roll 4 times in a circle (e.g. In roping a cow)  
17-18           Clasp hands together straight out in front, draw them in toward your chest  
19-20           Clasp hands together straight out in front, draw them in toward your chest

21-24           Hold left wheel for 2 beats, hold right wheel for 2 beats  
25-28           Take 2 beats to  $\frac{1}{4}$  turn to right, then 2 beats to  $\frac{1}{4}$  back home (or to left)
