1-2 Step right to right side as you make ¼ turn left, touch left across in front of right

5&6&7&8 Play-time. As long as your weight finishes on left on count 8 and you are facing the front you'll be fine. I have said to bump on these counts, something similar to 'got To Be Funky', but as long as you stay on the spot and face front on 8 then you can do whatever you like!!
