## STAMP, VINE BACK (¼ TURN RIGHT) STOMP, HEEL SWIVEL, STAMP:

33            Stamp right (weight on left)  
34-35          Step back on right, step back on left  
36            Step back on right (turning ¼ right)  
37            Stomp left next to right (weight on both)  
38            Swivel heels to left  
39            Swivel heels to center  
40            Stamp right (weight on left)

## REPEAT

I use Stamp instead of Stomp to indicate that you do not leave your weight on that foot. STAMP: no weight (e.g. beats 33 and 40); STOMP: with weight (beat 37); It is a reasonably common usage in Australia  
VARIATIONS: For added difficulty - do a full turn to the right on beats 25-28 and 29-32 (yes, that means a turn to the right on a vine left!)  
Counts 13-24 are exactly the same as 1-12 just leading off with the other foot.
