1            Stop  
2            Hold  
3-4          Execute a 2-count body roll in the direction of flow of dance

**If you start dancing on count 16 of the song, the breaks occur as follows:**

A            3rd wall counts 33-40  
B            4th wall complete one wall, no break  
C            5th wall counts 1-8  
D            6th wall counts 9-16  
E            7th wall counts 17-24  
F            8th wall counts 25-33  
G            Three walls with no breaks. Two are instrumental.  
H            Counts 1-8

**Don't worry about memorizing that and remembering the wall you are on. You will hear the break coming.**
