BASIC STEP TOGETHER RIGHT-LEFT

1-2 Step right to right, step left beside right
3-4 Step right to right, touch left beside right
5-6 Step left to left, step right beside left
7-8 Step left to left, touch right beside left

REPEAT

As an extra styling challenge, hits the breaks that occur on every verse except the last. Use the following for a 4-count break:

1 Stop
2 Hold
3-4 Execute a 2-count body roll in the direction of flow of dance

If you start dancing on count 16 of the song, the breaks occur as follows:

A 3rd wall counts 33-40
B 4th wall complete one wall, no break
C 5th wall counts 1-8
D 6th wall counts 9-16
E 7th wall counts 17-24
F 8th wall counts 25-33
G Three walls with no breaks. Two are instrumental.
H Counts 1-8
I Counts 9-16

Don't worry about memorizing that and remembering the wall you are on. You will hear the break coming.
