You are facing the back wall at the start of the third repetition. Do counts 1 through 14 as above, then for counts 15-16, substitute these steps:

1-2      Step forward on right; turn ½ left (weight on left, facing the back wall)

Then restart the dance with count 1

## TO FINISH FACING FRONT

You will be completing the dance as the music fades. To finish facing front (original starting wall), complete count 32 and hold.
