TAG

The chorus wall is always the back wall (wall 3). Words of the chorus start: "raindrops falling from heaven". The chorus is only 32 counts, and there are two of them. On chorus wall dance the sequence as normal up to count 28. Then substitute the heel taps in 29-32 for the following:

29-30 Step left to side, touch right next to left clicking fingers
31-32 Step right to side, touch left next to right clicking fingers

Miss out the last 8 counts of the sequence. Start again from beginning of sequence. You will be facing 9:00.
