If you use 'The Camel's Heart' for your music, the third and fifth patterns will occur on the chorus. There is a rhythm break in the music on counts 47 and 48 here. I recommend doing the following variation on the third and fifth patterns

47-48 Stomp down right, hold

TWO JAZZ BOXES

49-50 Step left crossing in front of right, step back right

51-52 Step left to left side, step forward right

53-56 Repeat counts 49-52
