TAGS

When using the song "Whenever, Wherever", the music fades twice in the dance for 4 counts. After completing the 3rd wall, which should be your back wall, do the tag below:

- 1-2 Step right to side bumping hips right, bring left together bumping hips left
3-4 Repeat the steps above, (you can put & counts, and shoulder shimmy's between 1-4)

Start the dance from the beginning

The second fade is after the 7th wall, which should be your back wall again:

- 1-2 Take a large step right. Start sliding left toward right
3-4 Keep sliding left, step down on left

Start the dance from the beginning.
