- |       |                                                                                                                                                                                               |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1-4   | Step slide left to side, bring right together, step forward on left, hold                                                                                                                     |
| 5-8   | Step to right, bring left together, step back on right turning $\frac{1}{4}$ turn left, hold                                                                                                  |
| 9-12  | Step slide left to left, bring right together, step forward on left, hold                                                                                                                     |
| 13-14 | Step right to side and sway body over to right to bring weight onto right foot, raise heel of left foot. Replace weight back on left foot                                                     |
| 15-16 | Cross right over left, hold                                                                                                                                                                   |
| 17-20 | Repeat last four counts on the left                                                                                                                                                           |
| 21-24 | Step back on right, bring left back to right, step forward on right, hold                                                                                                                     |
| 25-28 | Walk forward left, right, left, hold                                                                                                                                                          |
| 29-32 | Step back on right at 45 degrees to commence $\frac{1}{2}$ turn to left, step back on left to complete turn, step forward on right (right is now in front of left and turn is complete), hold |
| 33-36 | Step forward on left, lock right behind, step forward on left, hold                                                                                                                           |
| 37-40 | Step forward on right, lock left behind, step forward on right, hold                                                                                                                          |
| 41-44 | Step forward on left then $\frac{3}{4}$ turn to left as you step right, left, left (close right next to left)                                                                                 |
- Note: the left foot almost makes a fan movement with this turn.**

**REPEAT**
