Hold for first 8 counts: Dance starts on right foot and is a 2 wall line dance for intermediate level dancers. This dance was choreographed with a "break" in it. The break is for the dancers to be able to hit the "Slide Over And Let Me Drive" vocals in the song. The first section of the dance has 24 counts which will repeat 4 times. Dancers will then break into 32 counts and will repeat the 32 counts twice. This is a fun dance and is well worth the effort to learn.
