## REPEAT

## TAG

When starting your 8th wall (facing 3:00) the beat comes to a standstill on your 5th count. Complete the ¼ turn left (count 6). Wait for the beat to return again and then restart the dance exactly after the word 'about' when they sing "it's all about you" the first time

## FINISH

After the restart you complete 2 walls of the dance finishing towards your 6:00 wall. When the music slows down during your last counts you still complete the kick ball change. Then you cross right over left and do a slow ½ unwind over your left shoulder
