29-32      Walking forward to the right, walk a ½ circle to the right stepping right, left, right, left (end at 3:00)

## REPEAT

**TAG:** After the 8th wall, you will be facing the front wall for the third time. Walk 8 counts in a full circle to the right back to the front wall. Basically, continue the walking circle you started on steps 29-32. This is just after the band sings the words "make some noise".  
Then start the dance from the beginning.
