**Choreographers note:-** With a 'Peter Gunn' style riff plus many other musical references, it's a '60's Quick Fix' - so dance styles of that era just had to be incorporated along the way.  
**My special thanks to Pete Browne & Jean Dawson for the '68 inspiration behind section 2.**  
**Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.**  
**Dance starts on vocals with knees bent very slightly forward.**
