**REPEAT AGAIN (Explore the song's musicality! The song is full of emotions!)**

**\* Restart: Dance until count 4 and hold 2 counts at the lunge, then restart.**

**\*\*Subtract: On Wall 5, When Michael sings "I'll subtract 20 years off from my life", it's the cue to subtract the 2 twinkles that will be coming up next (count 28-33). Dance until count 27 (Point R toe to R) and connect straight to the half turn twinkle from count 34.**

**\*\*\*Bridge: After count 21 on Wall 7, there is a long pause with no beats and Michael would sing, "I wanna hold you, I wanna hold you, again". Do this to fit the lyrics: I wanna hold you (1): Swing both arms (straight) above from right to left over the head, step LF to L when you do so. As the R arm is straight up, pull R arm downwards and hold R palm to the heart. At the same time, slide R toe to the far back crossing behind LF and slightly bend L knee. You can bend the body slight forward. (footwork: think of the bowling pose) I wanna hold you (2): Repeat the above to the right side with opposite limbs. Again: Slowly rise up with LF touch behind RF, do a slow full turn unwind over L shoulder. There will be 3 beats after the word "again". Do this in place of the syncopated weave for the 3 beats: Step LF to L, Step RF behind LF, ¼ turn L stepping LF fwd and continue the dance from count 25 (¼ turn L sweep RF from back to R and point RF to R). Continue the dance with the twinkles etc. Note: It's just too tough to pen down all the action in words, please refer to the video as it speaks a million words. Enjoy the music! Special thanks to Joanne Wong for interpreting the Bridge.**
