START OVER!!

***When I taught this dance I kept it a one wall dance for the 5-7 year olds I was teaching. However, with the last 8 counts you can incorporate a left turn on count 7 to make it a 4 wall dance, or incorporate a left turn on 5 and another left turn on 7 to make it a 2 wall dance.

As we progressed each day, the Side Steps turned into Grapevines. Then we began Rolling Vines to the right and left which went really well with the music and the kids loved it!

Enjoy and have fun!
