Two wall (Turning into a 4 wall dance)

If you have ever been to a Violet Road concert, you have heard them talk about the “Kåfjord Rumba” before they play a song. It is this song, and since I don't only love, but have fallen in love with both their music and them I figured I would make an easy line dance to this song. Easy, so everybody can join, and mostly because when I hear “Kåfjord” rumba I imagine it would be something danced at the party's like the ones we have here home in Lyngen when the village get together. And at those occasions you need something that is easy to remember ;p and easy to make your own with your own moves ;)
