## Start Again

**\*\* Walls 2 & 5: Restart/Tag \*\***

Restart happens after 16 counts of the dance, however, to make it fit we change the last count to a touch (8) instead of the cross rock (8&). Counts 12-16 will look as follows:

5,6,7      Step forward on right, pivot ½ turn left, make ½ turn left sweeping right foot around  
8      Touch right next to left

**Start again stepping forward on right**

**\*\* Wall 8: Restart \*\***

On wall 8 dance the first 8& counts (up to the sway and step together) then instead of stepping to the right side, start again stepping the right forward.
