Okay, you can start over here but.....there is a 24 count s-l-o-w part on the 5th wall after the 16th step.
You'll be facing 3:00 - Look Lf. Real slow for 4 cts., look Rt. Real slow for 4 cts. rubbing your arms like your
cold.

Make 1/2 pivot Rt. & look Lf. For 4 cts., with Rt. Forefinger touching your right temple.

Now make 'ok' sign with rt. Hand moving hand left to right giving OK sign for 4 quick cts.

Now music will start picking back up. Shrug your shoulders up & down slow, then tap your Rt. Heel 4 times in
place.

Now the heavy instrumental downbeat will start.

You will be at 9:00 and you will do 32 cts. of the dance.

Then the singing will start and you'll restart the dance at this point again at 9:00.

Dance all the way thru to end.

THIS IS NOT A HARD DANCE; IT IS TRULY A HIGH INTERMEDIATE ONLY.

The movements above will go perfect with the words in the song.

If you can do aabbaca dances, this will be a snap.
