5 -6      Cross left over right, recover on left,  
7-8&      Turn ¼ left stepping on left (12), step forward on right, pivot ½ turn left (6)

## START AGAIN

Note:- Please note when doing the ½ turning shuffle it moves down the floor and is not on the spot. You have the option to take this up a level by changing count 3&4 into 1 and ½ turns. The turn will take you to the following walls (6) (12) & back to (6) and it is a slow turn so take your time as it travels down the floor and is not on the spot.
