3&4&      Left foot paddle steps turning half turn to the right (3:00)

## Side Rock, ¼ turn, Step, Paddle ¾ turn

5&6      Left side rock, recover to right, ¼ turn to right stepping left foot forward (6:00) Weight on  
7&8&      Right foot paddle steps turning ¾ turn back to the left (9:00)

**Start Over! - (No Tags... No Restarts)**

### Notes:

- a) Although the counts are all syncopated- it is not a fast dance.
- b) In section 2 the "step" count on 2 & 6 are key steps to transition next step.
- c) In section 2 count 5 feels like another paddle step.
