The music phrases as 72 counts, but the extra 8 counts at the end are just a bonus where you can sing and look cool!

Start after an 8 count intro on the word "let."

The first time, you will only dance the first 32 counts, then do the last 8 (the look cool part), then start the dance again.

The first 16 counts have a "Dipstick-ish" feel...but the rest is pretty "normal."

This song is being used in Ontario, Canada for one of our lotteries, Lotto 649, and it asks for people to do their "happy dance."...so if you hear someone refer to it as the Happy Dance, this is why!
